

REPUBLIC OF KENYA  
IN THE STATE CORPORATION APPEAL TRIBUNAL AT NAIROBI  
APPEAL NO. SCAT 001 OF 2025

GRACE THITAI.....APPELLANT

VERSUS

INSPECTOR- GENERAL (CORPORATIONS).....RESPONDENT

JUDGEMENT

BACKGROUND

1. The Appellant was a member of the board of the Kenya Medical Training College (KMTC), a state corporation established under Section 3 of the Kenya Medical Training College Act, Cap 261 Laws of Kenya.
2. The Respondent is a public office in the executive office of the President, created pursuant to section 18 of the State Corporation Act, Cap 446 Laws of Kenya with powers to levy surcharges and/or disallow any item of account against any person responsible in any state corporation.
3. Pursuant to its powers under Section 18 of the State Corporation Act, Cap 446 Laws of Kenya, the Respondent herein issued a Certificate of Surcharge No. SUR/KMTC/007/2004 against the Appellant on 28<sup>th</sup> November 2024 for an amount of Kshs. 1,837,355/=.
4. The said surcharge was in respect of remuneration paid to one Dr. Miriam Ndunge Muthoka who was said to have been irregularly recruited from the 13<sup>th</sup> of November 2015 to the 11<sup>th</sup> of January 2022, to the position of the Corporation Secretary of the KMTC.
5. The Appellant herein, being dissatisfied and aggrieved by the said decision of the Respondent, lodged an appeal against the decision on the 3<sup>rd</sup> of April 2025 and raised various grounds.
6. In response to the Appeal, the Respondent filed an Affidavit on the 14<sup>th</sup> May 2025 opposing the appeal and contending that the surcharge was lawful.
7. The Appellant then sought and was granted leave by the Tribunal to file an Affidavit dated 30<sup>th</sup> May, 2025 adducing further evidence together with a Notice of Preliminary Objection dated 30th May 2025.
8. On the 25th of June 2025 the parties agreed to proceed with the Appeal by way of written submissions. The Tribunal also directed that the Appellant's preliminary objection dated 30th May 2025 would be deemed to be a ground of appeal.
9. The Appellant filed its submissions dated the 30<sup>th</sup> of July 2025 while the Respondent filed its submissions on the 14<sup>th</sup> of August 2025.

### **THE APPELANT'S CASE**

10. The Appellant filed a Record of Appeal dated 3rd April 2025 and raised seventeen (17) grounds of appeal namely:

- i. The decision of the Inspector-General (Corporations) to surcharge the Appellant was biased, fuelled by ulterior and improper motives, and influenced by other agencies,
- ii. The Inspector- General (Corporations) erred in law by surcharging the Appellant in breach of Fair Administrative action provisions, in violation of his rights to fair hearing and bereft of rules of Natural Justice.
- iii. The Respondent erred in issuance of Surcharge Certificate when the Board of Kenya Medical Training College where the Appellant served was merely implementing the Respondents' own recommendations of its report dated the 16<sup>th</sup> November 2020.
- iv. The Kenya Medical Training College is a body corporate established pursuant to section 3 of Kenya Medical Training College Act Cap 251 laws of Kenya.
- v. The Appellant acting in good faith, in the best interest of Kenya Medical Training College and jointly with other members appointed Dr. Miriam Muthoka in accordance with section 13(3) of the Kenya Medical Training College Act as its Corporation Secretary
- vi. The Recruitment of the Corporation Secretary was duly approved by the State Corporations Advisory Committee (SCAC) alongside the approval of the revised Human Resource instruments including the organisational structure and staff establishment for KMTC.
- vii. The Respondent reviewed its own recommendations by issuance of the surcharge certificates without affording the Appellant the opportunity to ventilate contrary to the provisions of the law.
- viii. Contrary to the provisions of the Constitution on right to fair administrative action and fair hearing, the Respondent failed to bring to the attention of the Appellant their intention to take an adverse action as mandatorily required under the Law.
- ix. Further, in contravention of the Provisions of Fair Administrative Action Act, the Respondent erred in not understanding the following.
  - (a) prior and adequate notice of the nature and reasons for the proposed administrative action;
  - (b) an opportunity to be heard and to make representations in that regard;
  - (c) notice of a right to a review or internal appeal against an administrative decision, where applicable;

- (d) a statement of reasons
- (e) notice of the right to legal representation, where applicable;
- (f) notice of the right to cross-examine or where applicable; or
- (g) information, materials and evidence to be relied upon in making the decision or taking the administrative action.

x. The Respondent, in issuance of the Certificate of surcharge, abused their powers having made recommendations that had been implemented only to turn around and subject the Appellant through an unlawful process.

xi. The Respondent abdicated its statutory mandate when it abandoned its reasoned position pursuant to its report dated the 16<sup>th</sup> of November 2020 to pursue other body's interests that do not have a role or conform to the provisions of the State Corporations Act, Cap 446 of the Laws of Kenya.

xii. The Respondent erred in fact by surcharging the Appellant a sum of Kshs.1,837,355/= for the following reasons; -

- (a) Dr. Miriam Muthoka was duly recruited as a Corporation Secretary in accordance with the existing legal and institutional framework at the time. Specifically, the recruitment was undertaken prior to the development of Human resource instruments that were duly approved by the State Corporations Advisory Committee (SCAC) in August 2017.
- (b) Dr. Miriam Muthoka's recruitment was competitive and merit based in accordance with the terms set by the Board at the time of engagement.
- (c) Despite review of the Institution's organization structure, staff established and career progression guidelines, The SCAC recommended that the terms of the serving Corporation Secretary be reserved on a "personal-to-holder" basis.
- (d) The SCAC being the body with mandate to approve Human Resources Instruments of State Corporations then rendered advisory on the need for reservation of Corporation Secretary which position remains uncontested to date and therefore the Respondent acted *ultra-vires* the provisions of State Corporations Act Cap 446 in issuing the Certificate of Surcharge.
- (e) The Kenya Medical Training College complied with the recommendations of the Respondent and conveyed such compliance to their parent ministry, the Ministry of Health in response to their letter dated the 23<sup>rd</sup> December 2020.

- (f) Dr. Miriam Muthoka drew her remuneration commensurate to her title for the services rendered within the duration of her tenure at Kenya Medical Training College.
- (g) The question of loss does not arise, as the office of the Corporation Secretary remained occupied between the years 13<sup>th</sup> November 2015 to 11<sup>th</sup> January 2022.
- (h) The surcharge for the sum of Kshs.1,837,355/= is misconceived and non-existent since no loss occurred because Dr. Miriam served and earned remuneration for work satisfactorily done.
- (i) The allegations of favourism and nepotism cannot be merely alleged without particularisation and were therefore engineered to support unlawful issuance of certificate of surcharge against the Appellant.

xiii. The Respondent's report dated the 16<sup>th</sup> of November, 2020 recommended censorship of the Board members by the Cabinet Secretary for Health who considered the matter fully settled after receiving the implementation status report.

xiv. That the decision to surcharge the Appellant for the sum of Kshs.1,837,355/= is without a legal basis and gross abuse of the process.

xv. The Appellant finds the surcharge amount to be ambiguous and without any evidential support. Further, even if the amounts were a computation of Dr. Miriam Muthoka's remuneration, the said computation failed to take into consideration the statutory deductions.

xvi. The decision of the Inspector-General (Corporations) to surcharge the Applicant has caused further and continuing prejudice to the applicant.

xvii. The Respondent's act to surcharge is an afterthought, bereft of formal and procedural validity.

#### THE RESPONDENT'S CASE

11. The Respondent filed a replying affidavit on the 14<sup>th</sup> of May 2025, sworn by one James Mungai Warui together with documents attached thereto in opposition to the appeal.
12. The Respondent, in opposing the Appeal, took the position that, on the 8th of November 2019, the Secretary/ Chief Executive Officer, Ethics and Anti-Corruption wrote to the Principal Secretary (PS), Ministry of Health vide letter Ref No. EACC/14/3 (35)- 86101 and copied it to the Respondent, citing allegations of malpractices at the KMTC.

13. On the basis of the aforesaid letter the Respondent contends that it constituted a team of inspectors to carry out a special audit as provided for under Section 18 of the State Corporations Act, Cap 446 to ascertain the veracity of the allegations raised by EACC.
14. In the conduct of the special audit, the inspectors ascertained, *inter alia* that, the KMTC advertised for the position of Company Secretary but omitted key governance parameters required for appointment to the position of company secretary to wit, "*membership to the Institute of Certified Public Secretaries of Kenya in good standing*".
15. The audit the team also ascertained, among other things that, "*Ms. Miriam Ndunge Muthoka was appointed to the position of the Corporation Secretary, Job group M16(KMTC 2), on permanent and pensionable terms on the 13<sup>th</sup> of November 2015.*"
16. The findings of the audit were communicated to the Head of Public Service and other public bodies, among them the EACC vide a letter Ref No. ISC/INS/POL/72/VOL.IV dated 16<sup>th</sup> November 2020.
17. The EACC on receipt of the report took up the matter of the recruitment of the said Corporation Secretary and, upon further investigation, the said commission established that Dr Miriam Muthoka was not competent for the position of the Corporation Secretary, and she was liable to restitute the income earned during her tenure of employment and be dismissed from service.
18. The Respondent argues that the recommendations of the EAC agreed with the audit findings of its report to wit that the recruitment of the Corporation Secretary was irregular as she did not meet the requirements.
19. The Respondent also points out that the said findings of irregular recruitment were confirmed by the High Court in ELRC Const. Petition No. E018 of 2022- Dr. Miriam Ndunge Muthoka Vs Kenya Medical Training College when it held that the recruitment was flawed and irregular and that the appointing authority (KMTC) do surcharge the Board members for the loss resulting from the Respondent.
20. The Respondent maintained that a loss occurred and all Board members, the Appellant included were liable and hence the surcharge for an amount of Kshs. 1,837,355/= against the Appellant and each of the rest of the Board Members who were present when the decision to recruit Ms. Miriam Ndunge Muthoka as Corporation Secretary was made.
21. The Respondent also argued that Ms. Miriam Ndunge Muthoka was not competent for the position she was recruited for at the time she was appointed via a special board meeting held on 13<sup>th</sup> November 2015; and the lack of requisite skills amounted to loss as it was contrary to the provisions of Section 79 of the Public Finance Management Act, 2012.

### **APPELANT'S FURTHER RESPONSE**

22. The Appellant filed a further affidavit on 4<sup>th</sup> June 2025 in response to the Respondent's Affidavit of 14<sup>th</sup> May 2025.

23. In the further affidavit the Appellant argues that: -

- i. The Presidential circular dated 28<sup>th</sup> April 2015 necessitated the recruitment of a Corporation Secretary on a "comply" or "explain" basis.
- ii. The Appellant also states that a Presidential directive conveyed through the Head of the Public Service circular dated the 28<sup>th</sup> of April, 2015 required immediate implementation of the Code of Corporate Governance for State Corporations - 'Mwongozo' in 2015 in furtherance of the provisions of Article 10,232 and 234 of the Constitution of Kenya 2010.
- iii. The presidential directive on the implementation of the Code of Corporate Governance for State Corporations - 'Mwongozo' necessitated the recruitment of the Corporation Secretary in pursuit of the realization and furtherance of good governance despite the position not being established in the KMTC Human Resource instruments.
- iv. It was the Appellant's case that under the *Mwongozo* Code, the KMTC Board, like all Boards, was under an obligation and mandated to recruit a Corporation Secretary based on such qualifications and competencies to be determined by it.
- v. The Appellant also avers that pursuant to section 43 (3) of the Public Finance Management Act, as read together with Regulation 48 of the Public Finance Management (National Government) Regulations 2015, the Board of KMTC reallocated funds within its approved budget for payment of the Corporation Secretary's remuneration prior to the recruitment.
- vi. The Appellant further argues that the retention of the Corporation Secretary after the recruitment was sanctioned by the Respondent and the State Corporations Advisory Committee (SCAC) through a report dated the 16th November 2020 and a letter dated 20th November 2017 and therefore the Respondent's action to surcharge had no basis.
- vii. Consequently, it's the Appellant's position that remuneration made to Dr. Miriam Ndunge Muthoka was proper since she was properly appointed and rendered her services as a corporation secretary and no loss of public funds was occasioned as a result of her employment.

viii. With regards to compliance with statutory provisions, the Appellant argued that the process of surcharging her did not comply with the provisions of Article 47 of the Constitution and section 4(3) of the Fair Administrative Action Act 2015 which require her to be given reasons prior to making of any adverse action to issue a certificate of surcharge.

ix. Finally, the Appellant concluded by asserting that the surcharge contravened Section 4(1) of the Limitations of Actions Act and was therefore statute barred the cause of action having arisen on the 13th November 2015.

24. The parties agreed to proceed by way of written submissions. The Appellant filed its submissions on 1st August 2025 whereas the Respondent filed its submissions on 14<sup>th</sup> August 2025.

#### **ISSUES FOR DETERMINATION**

25. Based on the evidence adduced by way of documents and affidavits; together with the written submissions of both parties, the Tribunal framed the issues for determination as follows:

- i. Whether the appointment and employment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College on the 13th of November 2015 was legal and lawful,
- ii. Whether, by the appointment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College, there occurred a loss of public funds,
- iii. Whether the Respondents decision to surcharge the Appellant was statute barred by dint of sections 4(1)(a) and 4(3) of the Limitations of Actions Act Cap 22 LOK,
- iv. Whether the process of surcharging the Appellant complied with the provisions of the Constitution, the State Corporations Act, Cap 446 and The Fair Administrative Action Act and;
- v. Whether the surcharged amount is justified.

#### **ANALYSIS AND DETERMINATION**

- i. Whether the appointment and employment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College on the 13<sup>th</sup> of November 2015 was legal and lawful

viii. With regards to compliance with statutory provisions, the Appellant argued that the process of surcharging her did not comply with the provisions of Article 47 of the Constitution and section 4(3) of the Fair Administrative Action Act 2015 which require her to be given reasons prior to making of any adverse action to issue a certificate of surcharge.

ix. Finally, the Appellant concluded by asserting that the surcharge contravened Section 4(1) of the Limitations of Actions Act and was therefore statute barred the cause of action having arisen on the 13th November 2015.

24. The parties agreed to proceed by way of written submissions. The Appellant filed its submissions on 1st August 2025 whereas the Respondent filed its submissions on 14<sup>th</sup> August 2025.

#### ISSUES FOR DETERMINATION

25. Based on the evidence adduced by way of documents and affidavits; together with the written submissions of both parties, the Tribunal framed the issues for determination as follows:

- i. Whether the appointment and employment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College on the 13th of November 2015 was legal and lawful,
- ii. Whether, by the appointment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College, there occurred a loss of public funds,
- iii. Whether the Respondents decision to surcharge the Appellant was statute barred by dint of sections 4(1)(a) and 4(3) of the Limitations of Actions Act Cap 22 LOK,
- iv. Whether the process of surcharging the Appellant complied with the provisions of the Constitution, the State Corporations Act, Cap 446 and The Fair Administrative Action Act and;
- v. Whether the surcharged amount is justified.

#### ANALYSIS AND DETERMINATION

- i. Whether the appointment and employment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College on the 13<sup>th</sup> of November 2015 was legal and lawful

26. In the present case, the Inspector General (Corporations), exercising his Statutory powers under Section 19 (1) (d) of the State Corporations Act, Cap 446, issued a Certificate of Surcharge No. SUR/KMTC/012/2024 dated 28<sup>th</sup> November, 2015.

27. The surcharge required the Appellant to pay Kshs.1,837,355/= being an amount arising from the alleged irregular appointment of one Dr. Miriam Ndunge Muthoka (hereafter referred to as Dr. Muthoka) between 13<sup>th</sup> November, 2025 and 11<sup>th</sup> January, 2022 to the position of Corporation Secretary of the Kenya Medical Training College.

28. The said amount was part of the remuneration paid to the said Dr. Muthoka, who according to the Respondent received a total of Kshs.23,885,515/= during the period of the irregular employment and which sum had been equally distributed for purposes of recovery to each Board member who was present and participated in the irregular recruitment process.

29. According to the minutes of the Board of Kenya Medical Training College of 13<sup>th</sup> November 2015, thirteen (13) members present, including the Appellant resolved to appoint Dr. Muthoka as the Corporations Secretary of Kenya Medical Training College.

30. The Surcharged amount is thus a portion of Kshs.23,885,615/= that is said to be the total remuneration received by Dr. Muthoka during the entire period of her irregular employment.

31. The question to pose at this stage, and which is central to this appeal, is whether indeed the recruitment of Dr. Muthoka was irregular and led to a loss of public funds that supports the decision of the Respondent to surcharge the Appellant and the rest of the Board members who participated in the recruitment.

32. The Respondent has adduced evidence showing that there were clear requirements that were supposed to be met by the candidate who ought to have been recruited as a Corporation Secretary.

33. Those requirements were set by the Board itself and appeared in the advertisement that was sent out by the Chairman inviting applications for the position. The requirements that the candidate ought to have met were: -

- i. *Hold a master's degree in business administration from a university recognised in Kenya.*
- ii. *Certificate in Certified Public Secretary (CPS).*
- iii. *Have served in a position of management/teaching for a period of at least three years.*
- iv. *Interpersonal and communication skills.*

- v. *Passion for continuous professional development.*
- vi. *Knowledge and experience in project review, monitoring and evaluation.*
- vii. *Knowledge of higher learning institution's training and programs.*

*In addition, candidates will be required to submit copies of membership association, certificate from Kenya Revenue Authority (KRA), Ethics and Anti – corruption Commission (EACC); and provide Certificate of Good Conduct from the Criminal Investigations Department (CID).*

34. In our view, the successful candidate, including Dr. Muthoka had to satisfy all the above requirements to be considered for appointment and eventual recruitment by the Board.
35. Both parties agreed that as of 13<sup>th</sup> November, 2015, Dr. Muthoka was not a Certified Public Secretary (CPS) within the meaning of Section 19 of the Certified Public Secretaries of Kenya Act, Cap 543 which requires a qualified Certified Public Secretary to be registered with the Board of Registration of the Certified Public Secretaries.
36. It was apparent that, Dr. Muthoka, besides not being a registered Certified Public Secretary, was not a member of the Institute of Certified Public Secretaries.
37. A look at page 13 of the *Mwongozo: The Code of Governance for the State Corporation*, which guides Boards and which the Kenya Medical Training College Board also relied on in the recruitment process; at code 1.20, Governance practice 1 (c), requires the Board to ensure that the Corporation Secretary is qualified in terms of the provisions of the Certified Secretaries Public Secretaries of Kenya Act, Cap 543.
38. Additionally, at Governance Practice 1(a), the *Mwongozo* provides that the Board should ensure that the Corporation Secretary is, *"a member of the Institute of Certified Public Secretaries of Kenya in good standing."*
39. Clearly the Board was bound by the law and the *Mwongozo Code* to ensure that in recruiting the Corporation Secretary, the suitable person ought to have been a registered Certified Public Secretary of good standing, a qualification that Dr. Muthoka lacked.
40. To that extent alone, the recruitment of Dr. Muthoka as a Corporation Secretary was irregular and unlawful and contrary to the provisions of Section 79 of the Public Finance Management Act, 2012 and the provisions of the Certified Public Secretaries Act.
41. Based on the evidence adduced before the Tribunal, it was apparent that the members of the Board, including the Appellant, went against their own requirements that they had set for the suitability of the right candidate and against their legal duties and trust bestowed upon them to act within the law and in the best interests of the Kenya Medical Training College.

42. In conclusion, the Tribunal takes judicial notice of the fact that even if it would be in doubt of its above finding, it would find persuasion in the judgement in ELRC Constitutional Petition No E018 of 2022, Dr. Miriam Ndunge Muthoka Vs. Kenya Medical Training College delivered on 22<sup>nd</sup> September 2022 by Justice M. Mbaru, wherein Dr. Muthoka had challenged her termination by Kenya Medical Training College.

43. The termination by KMTC was based on the ground that Dr. Muthoka's recruitment on 13<sup>th</sup> November 2015 had been irregular, which recruitment is also in issue in the present appeal.

44. The High Court in that case dismissed the petition and had this to say about Dr Muthoka's recruitment.

*"For lack of meeting the minimum threshold for the advertised position, the appointment of the Petitioner (Dr. Muthoka) by the respondent (Kenya Medical Training College) was irregular and wrongful. The appointment of the Petitioner by the Respondent was contrary to Article 232 of the Constitution, 2010 on values and principles of Public Service which included failure to afford fair competition and merit as the basis of appointment..."*

*"The petitioner benefited from an eschewed process of recruitment and the offer to be allowed to acquire the requisite qualifications after the fact cannot apply to sanitize irregular, wrongful and unlawful process. The appointment was wrongful from the start."*

ii. Whether, by the appointment of Dr. Miriam Ndunge Muthoka as the Corporation Secretary of Kenya Medical Training College, there occurred a loss of public funds

45. Having found that Dr. Muthoka was not qualified to be appointed as a Corporation Secretary we proceed to examine the second issue as to whether her recruitment resulted to loss of funds.

46. There is no doubt that for the period between 13<sup>th</sup> November 2015 and 11<sup>th</sup> January 2022, Dr. Muthoka received a remuneration amounting to Kshs.23,885.615/=. The same was supported by evidence of payslips for the aforesaid period.

47. Having already found that the recruitment of Dr. Muthoka as a Corporation Secretary was irregular, unlawful and contrary to the provisions of Section 79 of the Public Finance Management Act, 2012 and Section 19 of the Certified Public Secretaries of Kenya Act, Cap 543, it would be foolhardy of this Tribunal to conclude that there was no loss of public funds

48. We therefore find that the said remuneration was unlawful, and sum paid was thus recoverable from all Thirteen (13) members of the board of Kenya Medical Training College, including the Appellant, who participated in the recruitment process.

49. In making this finding, the Tribunal also relies on the provisions of section 19(3) and (4) of the State Corporation Act provides as follows:

*19(3) "For the purposes of this section, a member of the Board shall be deemed to be responsible for incurring or authorizing an expenditure if, being present when the resolution of the Board or committee thereof incurring or authorizing the expenditure was passed—*

- a. he voted in favour of it; or*
- b. he did not cause his vote against the resolution to be recorded in the minutes.*

*19(4) A person shall not be freed from liability to surcharge under this section by reason only of the fact that, in the matter giving rise to the liability, he acted in pursuance of any resolution of a Board, or of any committee thereof, if that resolution was contrary to law.*

50. We conclude therefore that the Respondent was right in issuing the Certificate of Surcharge No SUR/KMTC/007/2024 to the Appellant pursuant to Section 19(1) which provides the powers of the Respondent as follows:

*19(1) In any investigation conducted under this Act, the Inspector-General (Corporations) shall have power—*

- (a) to disallow any item of account which is contrary to the law or to any direction lawfully given to a state corporation.*
- (b) to surcharge the amount of any expenditure so disallowed upon the person responsible for incurring or authorizing the expenditure.*
- (c) to surcharge any sum which has not been duly brought to account upon the person by whom that sum ought to have been brought into account.*
- (d) to surcharge the amount of any loss or deficiency upon any person by whose negligence or misconduct the loss or deficiency has been incurred.*
- (e) to certify the amount due from any person upon whom he has made a surcharge.*

51. Indeed, under Section 19(2) of the Act the Respondent is directed in mandatory terms to "as soon as practicable, after certifying the amount of surcharge; furnish the person surcharged with a certificate of surcharge in the prescribed form.

52. Finally, we observe again from the judgement in ELR Constitutional Petition No E018 of 2022, Dr. Miriam Ndunge Muthoka Vs. Kenya Medical Training College that the court went further to recommend that: -

*"The appointing authority, the Respondent and its board members ought to be surcharged for the loss". (emphasis ours)*

53. We are bound by the findings of the High court and shall add no more to reiterate that there was loss of public funds because of Dr. Muthoka's appointment as Corporation Secretary KMTC.

iii. Whether the Respondents decision to surcharge the Appellant was statute barred by dint of sections 4(1)(a) and 4(3) of the Limitations of Actions Act Cap 22 LOK

54. We also observed from the pleadings and submissions the Appellant's contention that the certificate of Surcharge No. SUR/KMTC/007/2024 was statute barred by dint of Section 4(1)(a) and 4(3) of the Limitation of Actions Act, the purported cause of action having arisen on or around 13<sup>th</sup> November 2015 which is approximately 9 years.

55. We must observe that indeed this contention raises a serious jurisdictional issue and if the Tribunal were to find this issue in favour of the Appellant, we would have to down our tools of trade and allow the appeal *ab initio*.

56. However, in our view, the central question that the Tribunal ought to determine revolves solely on the factual grounds giving rise to the alleged issue of limitation of action.

57. The Appellant was surcharged in his capacity as a Board Member of the Board of the Kenya Medical Training College. In our view the main aim of surcharging individuals under the provisions of the State Corporations Act Cap 446 LOK is to "*recover lost public funds*" (emphasis ours)

58. The provisions of Article 226(5), Article 201(d) and Article 232 (b) of the Constitution of Kenya 2010 provide for the implementation of a surcharge against any accounting officer or public official whose actions of omissions lead to the loss of public funds.

59. Article 226(5) specifically provides that, "*If the holder of a public office, including a political office, directs or approves the use of public funds contrary to law or instructions, the person is liable for any loss arising from that use and shall make good the loss, whether the person remains the holder of the office or not.*"

60. From a reading of the provision, recovery of funds can be done during or after the tenure of the public officer indicted for the said loss without mention of the time frame within which such recovery should be made.

61. In addition to the said constitutional provision, section 42(k) of the Limitation of Actions Act provides that the Act shall not apply to, *"actions, including actions claiming equitable relief, in which recovery or compensation in respect of the loss of or damage to any public property is sought."*

62. For purposes of clarity, it behoves this Tribunal to examine and determine the meaning of the term "property".

63. Under the provisions of the Interpretation and General Provisions Act, Cap 2 LOK, "property includes money, goods, choses in action, land and every description of property, whether movable or immovable; and also, obligations, easements and every description of estate, interest and profit, present or future, vested or contingent, arising out of or incident to property as herein defined;"

64. Additionally, Section 45 of the Anti-Corruption and Economic Crimes, Cap 65 LOK provides that, *"public property means real or personal property, including money, of a public body or under the control of, or consigned or due to, a public body."*

65. Based on the above interpretations of the term property, we conclude that the applicable provisions with respect to Limitation of Actions would be Article 226(5) of the Constitution 2010 as read with Section 42(k) of the Limitation of Actions Act which exempt actions related to recovery of lost public funds from being statute barred.

66. The Tribunal also noted that the Appellant relied on the case of Nathaniel Kipkorir Tum -vs- Inspector of State Corporations (2015) KEHC 7307(KLR). In the said case, the learned judge in his obiter dictum observed that, *"Misappropriation by an employee is a contractual breach. An action to recover such a claim must be brought within 6 years in terms of Section 4 of the Limitation of Actions Act Cap 22 Laws of Kenya."*

67. In our view, it is trite law that obiter dictum statements are *"by the way/persuasive statements"* in nature and ought to be applied based on the circumstances of the matter. In the above case, the Appellant therein was an employee/ Managing Director who had a contractual relationship with Kenya Seed Company Limited.

68. In the present case, the Appellant herein was a Board Member who ordinarily would not be considered an *"employee"* of the Kenya Medical Training College.

69. In the circumstances of this matter, the tribunal therefore finds that the reliance on the obiter dictum statement made by the learned judge would not be applicable in the instant case.

70. Additionally, the case quoted by the Appellant herein did not discuss the issue of limitation of actions from the perspective of sections 42 (1)(k) and 42(2) of the Limitation of Actions Act and would not be applicable in the circumstances of this matter.

71. The Tribunal therefore finds that the Respondent's decision to surcharge the Appellant was not statute barred based on the referenced provisions of the Constitution and various statutes referred to above.

iv. Whether the process of surcharging the Appellant complied with the provisions of the Constitution, the State Corporations Act, Cap 446 and The Fair Administrative Action Act 7L

72. The contention that the Respondent contravened the provisions of the Fair Administrative Action Act for not notifying the Appellant of the intention to surcharge; and not according to the Appellant an opportunity to be heard prior to the decision to surcharge being made, finds no favour in law nor with this Tribunal.

73. This Tribunal has held before that the powers of the Inspector General (Corporation) to surcharge are donated under section 19 of the State Corporation cat Cap 446 and in particular section 19 (2) which reads:

*'The Inspector - General (Corporations) shall, as soon as practicable after the amount of surcharge; furnish the person surcharged with a certificate of surcharge in the prescribed form.'*

74. In our view, the section does not require the Inspector General (Corporation) to invite the person for a hearing before the surcharge certificate is issued.

75. Further the section does not also make it a requirement that the Inspector General (Corporation) must accord reasons for his decision to the person to be surcharged before issuance of the Certificate of Surcharge.

76. Besides, the Surcharge Certificate clearly pointed out the right of the Appellant to demand for reasons from the Inspector General (Corporation) for making the decision to surcharge as provided for by section 20 of the State Corporation Act and the same requires the reasons to be given within 14 days of the demand. The section is in mandatory terms, and the Inspector General must comply.

77. In the present case, the Appellant never sought the reasons but chose to appeal to the Tribunal, pursuant to section 22 of the Act and which was purely within his right.

78. The right to appeal to the Tribunal affords the Appellant an opportunity to defend himself and indeed the applicant strongly tendered both oral and written documentary evidence

besides vigorously attacking the surcharge decision and interrogating the Respondent and his evidence and documents.

79. In our view, the mischief sought to be cured by the provisions of the Fair Administrative Action Act being not being condemned unheard is properly cured in the procedure set out in the State Corporation Act by allowing the aggrieved to seek reasons and appeal against decision of surcharge.

80. The Inspector General's decision is thus not final as it is subject to another administrative process which is quasi-judicial in nature and accords the Appellant/aggrieved party an opportunity to be heard and challenge the surcharge decision making process in this Tribunal.

81. Besides, the party aggrieved by the decision of the Tribunal has another opportunity to further challenge the surcharge decision in the Hight Court by dint of the provisions of section 23 of the State Corporations Act.

82. The Tribunal thus finds that the Appellant is not prejudiced in any way and neither have the provisions of the Constitution especially Article 47 nor Section 4(3) of the Fair Administrative Action Act been breached by the Inspector General in issuing the surcharge certificate prior to giving the Appellant notice of the intended decision; and reasons for the decision.

83. We therefore find that the Appellant's argument that he was not afforded a fair hearing does not stand in the face of the law.

v. Whether the surcharged amount is justified

84. It is thus not in doubt that the appointment of Dr. Muthoka came with a remuneration package. We have already made a finding that the said remuneration package resulted to loss of public funds.

85. The Respondent attached payslips in respect of remuneration of Dr. Muthoka throughout the period of her employment as the Corporation Secretary of the Kenya Medical Training College and the sums therein totalled to Kshs.23,885,622.50/= being the gross pay for the period between 13<sup>th</sup> November 2015 to 11<sup>th</sup> January 2022 and received by the said Dr. Muthoka.

86. The amount was what was to be repaid by the Thirteen (13) who had erroneously recruited the Corporation Secretary, and each was to bear equal liability thus the amount of the surcharge of Kshs.1,837,355.58 for each board member then including the Appellant.

87. That is the amount for which the Appellant like the rest of the board members, is called upon to pay back in the Certificate of surcharge No. SUR/KMTC/007/2024 which we find justifiable as submitted by the Respondent.

**FINAL DECISION**

88. Based on the above analysis, the Tribunal makes the following orders

- i. The Appeal be and is hereby dismissed.
- ii. The Certificate of Surcharge SUR/007/2024 for the sum of Kshs.1,837,355.58 is upheld and confirmed against the Appellant.
- iii. With regards to the issue of costs each party shall bear its own costs
